EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below.

IN THE CLAIM:

In claim 8, lines 1-2 the phrase "*or prone to a condition associated with the deposition of β -amyloid*" has been replaced with -- Alzheimer's Disease --.

Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Todaro on 9/27/2006.

The following is an examiner's statement of reasons for allowance:

WO 00/50391 discloses a broad class of sulphonamide compounds. However, the reference neither discloses nor suggests the sulphonamide compounds of the present invention. Nor would it have been obvious to modify the compounds of the prior art to arrive at the compounds of the present invention. There is no motivation to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jafar Parsa whose telephone number is (571)272-0643. The examiner can normally be reached on 8 a.m.-4:30 p.m. (M-F).
